## **ABOUT WESTAT**

Westat is an employee-owned corporation known for the quality of its statistical design, data collection, and analysis work, and its expertise in strategic communications. Since 1963, we have successfully provided research and consulting services across Government program areas, in fields as diverse as health and biomedicine, education, employment and training, social policy, environment and energy, transportation, workforce, military and veterans, and science and technology. With headquarters in the Washington, DC, metropolitan area, we are conveniently located near our Federal Government clients. Through the Multiple Award Schedule Professional Services Category (MAS-PSC), Westat offers a diverse set of technical capabilities including survey expertise, marketing and communication services, and integrated consulting.

Westat's most important resource is its diverse staff of more than 2,000 professionals. Included in this group are social scientists; management analysts; communications, public relations and marketing professionals; web development experts; computer systems and related staff; program area specialists; and survey operations specialists. We offer complete teams of organizational specialists and technical experts to evaluate programs, assess performance and quality in meeting program objectives and goals, and, when applicable, recommend program changes. Our statistical staff includes some of the best-known names in the field of research statistics. We are thoroughly experienced in program assessment, evaluation, strategic planning, and market research. We also have extensive experience in developing and tracking measures of program performance, designing research and data collection systems, and collecting and analyzing information—taking advantage of the appropriate information technology to meet client needs for efficiency and timeliness.

Westat uses a project-oriented management approach that enables us to assemble the most appropriate and responsive team for each assignment. With a long tradition of specialized research, we are qualified to address the most daunting research and marketing challenges facing Government agencies.

## SERVICES ORDERING PROCESS

MAS is a competitively awarded contract. Each client agency has specific contract procedures that it will follow when using this simplified procurement process. Orders flow directly from the client agency to Westat. The following are general rules that GSA has proposed.

**A.** If a customer solicits proposals from firms on the Schedule, these are the steps that can be followed:

**Step 1:** The Customer sends a Task Request to Westat's MAS-PSC Coordinator or Contractual Representative via fax or email. The request should include Westat's MAS- PSC Contract Number GS00F009DA.

Mr. Payton Smith, MAS-PSC Coordinator 301-294-2090  
Fax: 301-738-3500  
[paytonsmith@westat.com](mailto:paytonsmith@westat.com)

Mr. Rod Mohadjer, Contractual Representative 301-294-3941  
Fax: 301-738-3500  
[rodmohadjer@westat.com](mailto:rodmohadjer@westat.com)

**Step 2:** Westat reviews the request and develops a proposal consisting of two parts: Technical and Price.

**Step 3:** Westat submits the proposal to the Customer (as either a letter proposal or an oral presentation).

**Step 4:** The Customer reviews the proposal and makes a best-value determination.

**Step 5:** If Westat is selected, the Customer issues a delivery order/task order to Westat.

**B.** When the Customer selects Westat based on a best-value determination, these are the steps that can be followed:

**Step 1:** Westat meets with the Customer to define and document the requirements.

**Step 2:** The Customer reviews the project definition and modifies it as necessary.

**Step 3:** Westat advises the Customer of the labor mix and the cost to meet the identified project requirements.

**Step 4:** The Customer provides the project definition and funding documents to its internal Contracting Officer.

**Step 5:** The Customer's Contracting Office executes the purchase order and issues it directly to Westat. The purchase order should include Westat's Contract Number GS00F009DA.

**Step 6:** Westat begins the work.

## **MARKETING CONSULTING SERVICES**

Westat is a leading provider of data, information, and insights that help guide and support Federal agency programs. Our concentration in Federal programs allows us to extend our services, ranging from developing strategic plans to increasing public awareness of our clients' products, services, and programs.

We work closely with our clients to conduct formative research that guides the development of theory-based communications and marketing plans. Research activities might include collecting primary data, analyzing extant data, or conducting comprehensive literature reviews, environmental scans, or other research to inform the process. Westat helps clients to establish program objectives, identify and segment target audiences, develop and test program messages and products, and evaluate program impact.

Westat is a recognized leader in all phases of survey design and development, data collection, and data analysis. We have extensive experience in program evaluation and provide the tools to help clients assess how well the objectives of a marketing program are being met after program implementation.

We can help clients select appropriate communication channels (e.g., traditional or social media, word-of-mouth), taking into consideration client knowledge and preferences.

Westat also offers experience and expertise in data analysis and evaluation. We can help our clients to interpret and apply research findings from focus groups, surveys, and other sources of information about target audiences, market penetration, and the content and acceptability of materials.

## MARKETING RESEARCH AND PUBLIC OPINION POLLING

Westat offers quality and value in the purchase of comprehensive communications and marketing services, including advertising; public and media relations; web-based marketing; digital and social media outreach; market research and analysis; video production; exhibit design and implementation; and conference, event, and tradeshow services. We are specialists in applying creative message development, design, and production services to research and science-based content.

Westat combines research and data analysis with the full variety of communication and graphics services necessary to disseminate knowledge learned to our clients, special audiences, and the public. We create campaigns and deliver messages in any medium to local, national, and international audiences. Our customers get the best value on every project through Westat's combination of experience, technical qualifications, flexibility, and organizational efficiencies. We know how to use plain language in advertising and marketing to communicate important scientific, technical, and other complex messages to any audience.

Westat has more than 80 full-time communication and graphics professional staff based in our corporate offices. The majority are housed in 5,000 square feet of specialized media facilities. We also maintain separate 1,100-square-foot focus group and usability testing facilities in our Rockville Conference Center. Our full-service advertising and integrated marketing capabilities include the following.

- Advertising
- Public and Media Relations
- Web-Based Marketing
- Market Research and Analysis
- Video, Film, and Multimedia Production
- Exhibit Design and Implementation
- Conference, Event, and Tradeshow Planning and Support
- Commercial Photography
- Commercial Art and Graphic Design
- Plain Language Communication
- Public Inquiry Response
- Distribution and Fulfillment

Westat's commitment to communications excellence is reflected by its participation in the Center for Plain Language (charter member), Plain Language Association International, Society for Technical Communication, National Association of Government Communicators, American Institute of Graphic Artists, and League of American Communications Professional

## **MANAGEMENT AND FINANCIAL CONSULTING, ACQUISITION AND GRANTS MANAGEMENT SUPPORT, AND BUSINESS PROGRAM AND PROJECT MANAGEMENT SERVICES**

Westat is a leading provider of expert advice, assistance, and guidance to Federal agencies focused on improving their mission-oriented business and substantive program functions. Our concentration in Federal programs allows us to extend our consulting services from program assessment, evaluation, and strategic goal and plan development to all types of measurement and business process improvement support. The following are some of our key consulting services.

- Strategic Business and Operational Planning
- Program Evaluation and Research Design
- Performance Measurement
- Process Management and Improvement
- Change Management
- Operational Assessment
- Data and Information Communications
- Other Consulting Services

### **Facilitation and Decision Support Services**

Many of the goals and objectives clients need to accomplish in mission-oriented efforts require support for groups working together. Westat provides a full range of facilitation services to support group work, including several in which we have unique or highly specialized capabilities. All of our facilitators have extensive experience and hold advanced degrees in relevant fields. We use a variety of group dynamics techniques for enhancing decision making, defining roles, resolving disputes, maintaining focus, and managing group behavior. We also offer specialized facilitation through our customized focus group facilities and interactive data definition and analysis capabilities. Our systematic approach is tailored to meet client objectives.

### **Survey Services**

Westat is a full-service company with state-of-the-art capabilities in survey design, data collection, analysis, and data utilization. All of our survey services are tailored precisely to the client's requirements to ensure that the organization's unique problems and concerns are properly addressed. Our survey work covers all key constituencies of an organization, including customers, employees, suppliers, stakeholders, and the public at large. Westat has conducted hundreds of survey projects for organizations of all sizes, in both the public and private sectors. This work has spanned all Federal program areas, including health and nutrition, education, social services, substance abuse, science and technology, and employment and training. Of particular relevance to this SIN is our extensive experience in designing, implementing, and analyzing program evaluations and surveys of customer satisfaction, employee opinion, organizational culture, diversity assessment, and communication patterns.

Westat uses the latest technologies to ensure the highest possible response rates and on-time delivery. Another key to success is the involvement of our senior staff in every stage of the process. We have

developed unparalleled quality control standards for all aspects of survey operations to ensure performance on time, within budget, and of exceptional quality. Finally, all of our surveys are conducted in a manner that generates action on the priority issues requiring attention.

### **Project Management Services**

Westat provides services to assist in planning, initiating, managing, executing, and closing out mission-oriented business programs and projects. Our approach focuses on quality, schedules, and resources and the necessary controls and coordination required to complete tasks on time. We deliver successful project performance because we rely on our highly experienced team members, integrated technological solutions, and standards and best practices. Our emphasis on close coordination and effective communication with our clients ensures excellent results.

Our program/project management services include the following:

- Program/project leadership and communications
- Program/project planning and scheduling
- Earned value management support
- Program/project management, including performance monitoring and measurement
- Cost/Schedule control
- Monitor quality
- Reporting and documentation
- Stakeholder briefings, meetings, and related project support services
- Project close-out services

## LABOR CATEGORY DESCRIPTIONS: SINS 541611, 541613, 541910

### Education/Experience Substitution Matrix

This table below presents the allowable substitutions, based on education and experience for labor requirements. Experience should be professional and job related; however, it does not have to be specific to the project to be accomplished.

Degree	Education/Experience Substitutions	Related Certification Substitutions
In general, where it is not stated, the following experience table may be substituted for not having the required degree. Each year of completed education equates to one year of experience		
Associate's	High School Diploma + 2 years experience	Trade/Vocational School or Technical Training or Military Training in relevant field or other industry certifications, as appropriate
Bachelor's	High School Diploma + 4 years additional experience; or Associate's Degree + 2 years additional experience; or 4 years relevant experience	Professional or Industry Standard Technical Certification in relevant field (e.g., PMP, MCSE, CCNP, CDNP, ICCP, ISSO, ISO9001, ISO27001, ITIL) or other industry certifications, as appropriate + 3.5 years relevant experience
Master's	Bachelor's Degree + 2 years additional experience; or Associate's Degree + 6 years additional experience; or 8 years relevant experience	Professional or Industry Standard Technical Certification in relevant field (e.g., PMP, MCSE, CCNP, CDNP, ICCP, ISSO, ISO9001, ISO27001, ITIL) or other industry certifications, as appropriate + 7.5 years relevant experience
Doctorate	Master's Degree + 3 years additional experience; or Bachelor's Degree + 5 years additional experience; or 10 years relevant experience	Professional or Industry Standard Technical Certification in relevant field (e.g., PMP, MCSE, CCNP, CDNP, ICCP, ISSO, ISO9001, ISO27001, ITIL) or other industry certifications, as appropriate + 9.5 years relevant experience

Labor Category	Functional Responsibility	Minimum Experience and Education
<b>Senior Officer</b>	<p>This position has overall accountability and signature authority for the company's largest and most complex projects.
